With the beginning of this new year, it has been brought to my attention that the **Binghamton Township Historical Society (BTHS)** is in need of help.

Several members of the Historical Society have stepped down over the past few months for various reasons. They include Phyllis Hawley, Esther Pettingill, and most recently Kenna Lou Mills. In addition, Michelle Yates, Editor-in-Chief, who supported BTHS through the years with her creation of professional quality newsletters, also recently resigned. All were talented, dedicated, and knowledgeable officers and active members for many years. Their absence has created a large hole in the heart of the Binghamton Township Historical Society and our town.

The Historical Society is now at a serious crossroads and desperately needs your help. There are only a few remaining active members left. They are urging new volunteers to step forward and to join them in helping to preserve and protect our town's unique history. They're also looking for someone to become the new editor of their newsletter. I'd like to ask you . . . Do you like history?

Would you like to learn more about your town and the founding families? Would you like to explore more about your own family's ties to our town? If you or anyone you know might be interested in becoming involved in the BTHS in any capacity, please contact Karen Thurber, President, at (607) 222-8953 or send an email to lefty71111@aol.com. As the classic Joni Mitchell song says, "You don't know what you've got 'til it's gone". Please consider helping out. We don't want to lose our history!

Finally, as I do at the beginning of each new year, I'd like to take this opportunity to remind our residents about the Town's website and to encourage you to check it out from time to time. We always have activities going on, and **our website is our main form of communication**. Please check us out at www.townofbinghamton.gov I wish you all a safe, happy, and healthy New Year!

Can you believe it? Another year just flew by. I hope everyone had a great 2025! I'd like to first mention our **Christmas Tree Pickup Dates**. You can put your tree to the curb anytime during the month of January; there's no need to call. Please make sure your tree is completely bare of any decorations. No pickups after Friday, January 30th.

As we get into the heart of winter 2026, I'd like to remind everyone to please find parking **off the streets** so we can clean the streets for the entire community. Also, be careful when traveling on snowy roads. Typically, roads will not be clear until 24 hours after the snow stops and even then, there will be drifting and blowing of snow. Feel free to call the Highway Department with any persistent or new hazards as you see them.

As always, we have a full slate of road work we're looking to schedule in the 2026 construction season. There is, again, more work than we can squeeze into the year. I am prioritizing this work; however, things change and sometimes roads that need work get pushed out. The only constant here at the Highway Department is change. I wish all of you a happy and Blessed 2026!

Mark Leighton

Now that winter is here, I'd like to remind everyone of the "New York State Dog Shelter Law." Section 353-b of the New York Agriculture and Markets Law states that you are required to provide shelter for your dog at all times. The Broome County Sheriff's Dept. and New York State Police, as well as local police agencies, can enforce this law.

If your dog spends anytime outdoors, you must provide shelter to protect the dog from direct sunlight, rain, snow, wind, cold weather, hot weather, and other inclement conditions. The shelter must be waterproof, insulated, and allow the dog to move around freely. The dog must be able to stand up, turn around, and lie down. Violators will receive a Court citation and be required to pay a fine ranging from \$50 to \$250, as well as to show proof of shelter for the dog. If you suspect that someone is not providing their dog with adequate food and/or shelter, don't hesitate to call the Sheriff's Dept. at (607) 778-1911 or the New York State Police at (607) 775-1241.

## **TOB YOUTH ACTIVITIES: YEAR IN REVIEW (2025)**

As we usually do, we began this year in the middle of our Youth Basketball season. Last season we had 40 boys and 30 girls playing competitive basketball in grades 3-6. This season we combined forces with the Town of Conklin to form an **SV Youth Basketball Program**. We are playing in the Greater Broome County Youth Athletic Conference along with programs from Kirkwood, Windsor, Chenango Valley, Chenango Forks, and Whitney Point. The goals of this league are centered on development over competition followed by a month of more competitive play in February. We had 63 boys and 49 girls register to play and are divided among 13 teams. We continue our partnership with the SV basketball coaching staff, who are heavily involved in the newly combined program. For the third straight season, the K-2 Skills & Drills program is being conducted by the SV coaching staff and being held at the SV High School. In the past, this was a program that each town ran on their own but now the kids in this age group from the entire school district get to participate together and begin building some SV pride at an early age.

**Baseball and Softball** began practice in March and games began in May. We had 35 kids on four teams for our T-Ball program. They spent a few weeks learning various skills and then played some games against each other. Softball and Baseball continue to have three levels of play after T-Ball; Coach-Pitch, Minors and Majors. This year we had one Coach-Pitch, two Minors & one Majors Softball teams, three Coach-Pitch, two Minors and three Majors Baseball teams representing the Town of Binghamton. This season we had 77 baseball players and 37 softball players playing at three different levels: Pony League, Minors, and Majors. This year the league decided to move Pony Baseball from coach pitch to machine pitch. This change helped to develop the players' skills a little better as they prepared to progress to the next level. For the third straight season, one of our major's baseball teams was sponsored by the **Binghamton Rumble Ponies**. We contracted with them to sell a number of discounted Rumble Ponies game tickets in exchange for official BRP jerseys for our team, custom made by the organization with our players' names. With the assistance of the Booster Club, there were no costs to the town for this collaboration.... and to top it off, our Major League Rumble Ponies were the Tri-Town League Champions! We continue to play in our Tri-Town Baseball & Softball league with the Towns of Conklin & Kirkwood. Windsor softball remained in our league for the third straight season.

**Football & Cheer** began in August. We continue to be a member of the Southern Tier Youth Football Conference which consists of 25 teams from 21 programs, ranging from Susquehanna, PA, in the south, Norwich and Lansing to the north, and Elmira, Corning and Horseheads to the east. For our 2025 Youth Football & Cheer Season, we had teams at four different age/grade levels for both cheer and football; BK/K, 1st & 2nd grade, 3rd & 4th Grade and 5th & 6th grade. We had over 90 cheerleaders and more than 70 football players combined from those levels. This year we joined just a handful of other youth programs from our Conference in introducing **Girls' Youth Flag Football**. Over 30 girls between the grades of 3-6 made up two teams embarking on a historical new program that was quite successful. We look forward to seeing this level of play grow even more in the years to come. We play in the Southern Tier Youth Football Conference (STYFC) which is comprised of 25 teams from 19 programs spanning the map east to west from Susquehanna, PA, to Corning and north to Norwich. We continue to play our home games at the SV stadium and continue to have a great working relationship with the school district and the Varsity football coaching staffs, who are all extremely supportive of our programs.

Positive improvements continue to be made at **Jackson Park**. New scoreboards were in place for last season that came with easy-to-use remote controls, and new portable pitching mounds were introduced. The fences were replaced on the upper fields, the new bathrooms are fully functional giving much easier access to visitors to the park, and some additional paving has made for a more fan-friendly environment around the concession stand. We're looking forward to a great new year of activities!

## Updates from Your County Legislator, Kelly Wildoner

*Kelly Wildoner is a County Legislator representing District 3, which includes the Towns of Binghamton and Conklin along with part of Vestal.*

I hope everyone had a safe and enjoyable holiday season. With the new year beginning, I wanted to take a moment to update the residents of the Town of Binghamton on what the County Legislature has been working on.

At the beginning of November, we approved the 2026 Broome County Budget. The Broome County Legislature has approved another property tax rate cut for Broome County residents. During the budget process we held multiple public meetings to review each department's budget. This fiscal oversight is important; it allows me and the other Legislators to go over each department thoroughly and have any questions answered by the Administration or departments. This budget allowed us to continue to maintain critical services, make strategic investments in public safety, infrastructure, parks, economic development and other projects and resources within our community. It is important we maintain fiscal oversight on tax-payer money and how it is spent.

The winter season has been a very cold one compared to recent years. If you're someone who enjoys getting active in this kind of weather, Broome County Parks offer a variety of activities for you to do. Aqua Terra Park is perfect for a winter hike or to do some cross-country skiing. The park is still beautiful this time of year. Grippen Community Park, in West Endicott, just reopened after a big renovation project. This renovation project included installation of a covered ice-skating rink where members of our community can skate for free. Skate rentals are also available. Our Broome County Parks offer a wide variety of activities for families and community members to enjoy, no matter the weather outside.

During these cold months, not everyone wants to do outdoor activities. The County offers a number of indoor activities for you and the family to enjoy. Our local hockey team, the Binghamton Black Bears, continue to sell out the Arena. They have been an exciting addition to our community, even winning the Commissioners Cup last season. The Broome County Forum has a number of great shows going on during the winter months, too. There are so many different activities to do throughout our County, so try to take full advantage of them when you can!

I hope everyone enjoyed their holidays and are having a great start to the new year! If you have any questions or concerns, please do not hesitate to contact me at 607) 778-2131, on Facebook by searching "Broome County Legislator Kelly Wildoner" or by sending an email to me at:
