The **Felting Class** (Crafts/Learn Something New) Instructor has been located but due to the specialty tools and expensive material necessary to hold this class, not enough serious interest was indicated via RSVP in time to schedule a class. Please RSVP to comment if you would still like to explore having this class in the Fall.

The day trip to **Corning Glass** to tour the museum AND participate in a glassworks class has received some interest, but needs more support before we can schedule this trip in the Fall! Note that **transportation will be free if there are enough sign-ups**, so you will only need to pay for your entry & any class fees. Leave your name, phone number, and preference for what you'd like to make between blowing an ornament or melding glass pieces into a flat decorative piece.

**Additional activities will be posted on the TOB website. Please view the upcoming Senior activities at [www.townofbinghamton.com](http://www.townofbinghamton.com)**
