#### IT'S BUDGET TIME

It's fall and that means budget time. The Town Board will be finalizing the budget by the end of this month, and I'm pleased to report that we will not have an increase in the tax rate.

#### "MUNICIPAL CLEANUP DAYS"

Our "Municipal Cleanup Days" continue to be a success. We once again offered this service in April and September. The feedback continues to be overwhelmingly positive, and this year, our vendor added document shredding to his services, which was well received. As long as Broome County continues to waive the landfill tipping fees, we'll continue to offer this free service to our residents.

#### BROOME "AGE-FRIENDLY PROJECT" SURVEY

The Broome County Office for Aging is seeking input from Broome County residents 55 and older about the programs, services, and resources that are important to them. Broome County is currently working on the "Broome Age-Friendly Project" to improve the livability of Broome County for older adults and people of all ages.

If you're 55 or older, please take a few minutes to complete their "Age-Friendly Survey". By completing this survey, you'll help them define priority areas for their 2027-2030 action plan and ensure their efforts continue to reflect the needs and ideas of older adults in our community. The feedback the County receives will help them identify the needs and priorities of older adults in Broome County and determine where they should focus their efforts in the coming years. Every response is valuable and will help ensure that their next action plan reflects the voices and experiences of our community.

[To take the survey, please click here.](#) (Deadline is October 31, 2026.)

I hope you're all enjoying the fall. Don't hesitate to contact me if you have any questions or concerns. You can reach me at (607) 772-0357, and press option 2. We'll talk again in the winter!

*Elizabeth Rounds*

## FALL LEAF & BRANCH PICKUP IS UNDERWAY!

The Town of Binghamton Highway Department's Fall Leaf & Branch Pickup is now underway and will continue, weather permitting, until the snow flies.

### No need to call for pickup.

Crews will make regular rounds throughout the Town; however, due to the volume of material collected, we cannot provide a specific pickup date or time. **Please place leaves and branches separately along the roadside.**

### MIXED PILES WILL NOT BE COLLECTED!!!

Please refer to the guidelines on the right.

## HIGHWAY DEPT. / WATER & SEWER DEPT.

Mark Leighton, Highway Supt.

865 Hawleyton Rd., Binghamton, NY 13903

Phone: (607) 669-4323 Email: [highway@townofbinghamton.com](mailto:highway@townofbinghamton.com)

## LEAF & BRANCH PICKUP GUIDELINES

- Do not place leaves in bags.
- Rake leaves to the edge of the road or top of the curb in front of your property—not into the ditch or roadway.
- Leaves must be free of branches, rocks, pinecones, animal waste, and other debris.
- Only branches originating from your own yard will be accepted.
- Place branches neatly along the roadside with the large ends facing the road. Leave branches as long as possible.
- Brush from lot clearing, contractors, or landscapers will not be collected.
- Tree trunks, roots, thorny brush, small twigs, garden or flower-bed clippings, leaves and animal waste will not be accepted as branch material.

Please keep all piles clear of mailboxes, utility poles, fire hydrants, drainage areas and other obstructions.

As winter approaches, residents are encouraged to prepare early. Check vehicles and snow-removal equipment, and keep needed supplies such as salt, fuel, and batteries on hand. Monitor local weather forecasts and road conditions during storms.

The Town's Winter Parking Ordinance is strictly enforced. (See Page 4 under "Code Enforcement".) Vehicles must be removed from Town roads so plow trucks can safely and efficiently clear snow. Please remember that snow will be pushed toward the roadside and plow operators cannot lift their plows at individual driveways.

The Town Highway Department does not plow County-maintained roads, including Hawleyton Rd., Park Ave., Saddlemire Rd., Murphy Rd., Pierce Creek Rd., Brady Hill Rd., and Powers Road. Questions or concerns? Please call the Highway Department at (607) 669-4323 or send an email to [highway@townofbinghamton.com](mailto:highway@townofbinghamton.com)

We all know when a storm is coming. If you know a storm is on the way, don't park on the streets because the plows need to be able to navigate down the streets without dodging cars. We do put warnings on windshields but ONE time only. If we receive notification from the Highway Dept. that there's an immediate problem, a ticket will be issued without warning. This is what the Town of Binghamton Winter Parking Ordinance states:

*(WINTER PARKING ORDINANCE GOES IN EFFECT DECEMBER 1 TO APRIL 1 from 11 p.m. to 7 a.m.)*

"No person shall park a vehicle on either side of any town or county highway within the Town of Binghamton between the hours of 11 p.m. and 7 a.m. on each day from December 1 to the following April 1, inclusive. No owner or operator of a motor vehicle shall park the same unattended on any town street or highway within the Town of Binghamton following any snowfall of two inches or more until said street or highway shall have been plowed by or at the discretion of the Highway Department of the Town of Binghamton. Any two-inch snowfall shall, for the purposes of this section, constitute an emergency." Tickets will be issued to violators.

**FALL IS THE TIME TO CHECK THE BATTERIES IN YOUR  
 SMOKE & CARBON MONOXIDE DETECTORS.**

Test your CO detectors when you're testing your smoke detectors. Every bedroom **MUST** have a smoke detector and one on each level of your home. For example, if you have three bedrooms on the second floor, you need four smoke detectors (one in each bedroom and one in the hallway) plus a carbon monoxide detector on every level as well. Carbon monoxide is a colorless, odorless, and tasteless gas that is slightly less dense than air. Carbon monoxide poisoning symptoms are often described as "flu-like." Symptoms include headache, dizziness, weakness, vomiting, chest pain, confusion, etc. If your CO alarm is beeping, **DO NOT** assume that it's a battery problem. When in doubt, call 911! Also, have your chimney inspected **BEFORE** the heating season begins. A clogged chimney can lead to a chimney fire and/or CO (carbon monoxide) poisoning.

Finally, make sure your direct-heat vents are cleared from shrubs or other landscaping. The vents need to be free from obstruction. Thanks, and enjoy the fall.

**BROOME COUNTY LANDFILL'S HAZARDOUS WASTE DROP-OFF DATES:**

The BC Landfill continues to accept hazardous waste (including household and auto batteries, propane tanks, fluorescent bulbs, driveway sealers, paints, solvents, stains, cleaners, pesticides, and pool and photography chemicals) AND old electronics (such as computers, printers, stereos, TVs, copiers, fax machines, mobile phones, etc.). You can drop these off at the landfill for **FREE** on the following days from 7:30 a.m. to 11:30 a.m.:

Sat., Oct. 17 / Weds., Nov. 4 / Sat., Nov. 7  
 Sat., Nov. 21 / Weds., Dec. 2 / Sat., Dec. 12

**NOW IS THE PERFECT  
TIME TO GET YOUR  
DOG'S HOUSE READY  
FOR THE WINTER!**

The Dog Shelter Law is a law that applies to all seasons. Section 353-B of the New York Agriculture and Markets Law requires dog owners to provide shelter for their dogs. The shelter must protect your dog from direct sunlight, rain, snow, wind, cold weather, hot weather, and other inclement conditions. The shelter must be waterproof, insulated, and allow the dog to move around freely. The dog must be able to stand up, turn around, and lie down. Violators will receive a court citation and be required to pay a fine ranging from \$50 to \$250 and will need to show proof of shelter for the dog. If you suspect that someone is not providing their dog with adequate food and/or shelter, please call the Sheriff's Dept. at (607) 778-1911 or the New York State Police at (607) 775-1241.

**KEEP AN EYE ON YOUR DOG  
DURING HUNTING SEASON!**

Hunting season is soon approaching, and you may not realize that a dog chasing a deer is considered an illegal violation. Conservation Officers have the authority to destroy any dog found chasing a deer. If you love your pet, keep it tied or penned up, especially during hunting season!

**PLEASE PUT LICENSE TAGS ON YOUR  
DOGS**

Dog tags or licenses are your lost dog's only hope for getting home. I will gladly bring your lost dog home if I find him, but if I can't identify him as belonging to you, the dog will be taken to the Broome County Humane Society. Help me bring your dog home by putting the license tag on its collar.

If you have a non-emergency complaint, you're welcome to leave a message on my Town Hall extension. If you're trying to reach me because you've found a stray dog that's in your possession and you'd like it picked up, call me on my cell at (607) 217-8857. Thanks!

### **A MESSAGE FROM**

#### **CHRISTOPHER STRENO**

**Director of Youth Activities**

**Email: [tobyouthsports@gmail.com](mailto:tobyouthsports@gmail.com)**

**Phone: (607) 772-0357, ext. 048**

Our 2026 **youth football and cheer** season is underway, with 91 football players and 60 cheerleaders on our rosters. Football players are competing at four grade levels: kindergarten and grades 1–2 in flag football, and grades 3–4 and 5–6 in tackle football. Cheerleaders support teams across those levels. Practices are held at Jackson Park, and our home games bring families together on Sundays at the SV High School Stadium.

**Girls’ flag football** has returned for its second season with 39 players across two teams. Girls in grades 3–4 are learning the game in an instructional league, while the grades 5–6 team plays in a competitive league. It has been encouraging to see this new program take root and give more girls a place to play.

As football and cheer move toward the end of the season, we are preparing for **youth basketball**. We are joining the Greater Broome County Youth Athletic Conference (GBCYAC) again, and we are once again combining children from throughout the Susquehanna Valley school district into a true SV youth basketball program. We will share registration details through the schools, the Town’s website, and our “Town of Binghamton Youth Sports” Facebook page when they are ready.

These programs depend on volunteers. Coaches, team parents, game-day helpers, and members of the All-Sports Youth Booster Club make a real difference for our players. Please consider helping with a team, the concession stand, the press box, or the Youth Commission. The Booster Club also welcomes support through its fundraisers and concession stands.

For program updates, follow “Town of Binghamton Youth Sports” on Facebook. To get involved with the Youth Commission or ask about volunteering, email [tobyouthsports@gmail.com](mailto:tobyouthsports@gmail.com).

**DOG LICENSE  
RENEWAL  
INFORMATION**

Here's a quick review of how dog license renewals work in the Clerk's office:

The "Notice of Renewal" will be mailed to you in the beginning of the registration month.

There will be no more REMINDER letters mailed. On the last day of the month, if you have not registered your dog, a late notice will be mailed to you. Please adhere to the late fee billing schedule that will be included with your second notice. The late fee schedule is as follows:

If the renewal is not paid within 30 days after the initial due date - \$10 late fee

If the renewal is not paid within 60 days after the initial due date - \$20 late fee

If the renewal is not paid within 90 days after the initial due date - \$30 late fee

NOTE: These fees are in addition to the standard licensing fee.

## *News from County Legislator Kelly Wildoner*

### Updates from Your County Legislator Kelly Wildoner

As the Broome County Legislature begins the budget process, I wanted to take a moment to update residents in the Town of Binghamton on the many things happening in County government.

In September, the County Executive delivered his 2027 Budget Address at the Vestal Senior Center. The proposed county budget includes an eighth consecutive year of property tax rate cuts, while maintaining all the critical services in the County. One main topic in the proposed budget includes investments for seniors in our community with a focus on safety, volunteerism, and food security. Other highlights include creating more affordable childcare slots, major investments in our roads and bridges, along with enhancements to public safety. Throughout the month of October, my colleagues on the Legislature and I will hold over 40 public meetings as we review the budget page-by-page, line-by-line. Our goal is to hold the line on taxes while maintaining critical services and making strategic investments in our community.

The 2027 budget also includes another round of Small Community Grant funding. This year, I was proud to advocate and help secure \$20,000 in grant funds for the Town of Binghamton Volunteer Fire Company to upgrade their rescue equipment. We know how important it is to invest in public safety and those who answer the call to help protect our community.

If you have any questions or concerns, please do not hesitate to contact me at [kelly.wildoner@broomecountyny.gov](mailto:kelly.wildoner@broomecountyny.gov), (607) 778-2131, or on Facebook by searching "Broome County Legislator Kelly Wildoner."

Your historical society has been busy this summer!

We hosted two Open Houses; Monday, July 20<sup>th</sup> and Wednesday, September 9<sup>th</sup>. It was great to see people interested in town history get a chance to visit with us and tour our museum. We helped one family learn about the schoolhouse origins of their new home. Two families with children were among the visitors to our "Way Back Wednesday" Open House. The young man's wool bathing suit invoked some giggles! Thanks to all who visited!

## Thank You!

Our pie slice building maintenance fundraiser sale, held in conjunction with the Town Of Binghamton Firemen's Chicken BBQ was a resounding success!

**We sold out by 1:30 p.m.**

We so appreciate the support of the Fire Dept., pie bakers, pie purchasers who made it happen.

**We are already planning to do it again next year!**

Speaking of building maintenance, check out our new paint job! Also, thanks to Andy Harrison who did a super job replacing damaged clapboards and rebuilding a small deck at the museum.

We are always looking for a good story or potential program we can offer. One that comes to mind is the manufacture of alcohol in the TOB during Prohibition. Please contact me by email or phone at 607-222-8953 if you have something to share. Also, consider becoming a Binghamton Township Historical Society member. Membership gives you access to our seasonal newsletters with interesting articles, recipes, and photos. It's just \$20/yr individual or \$30/yr family.

## **"FREE" RABIES CLINICS ARE OFFERED AT BROOME COUNTY HUMANE SOCIETY**
